- Submit USA CUP online application at usacup.org/referees
- Federation letter confirming current grade level and permission to travel
- Photocopy of valid passport
- Safe Sport certificate of completion
- International background check
- Arrival and departure flight information (after application has been approved)
- Purchase of international insurance

LODGING

Housing is offered for USA CUP Weekend and USA CUP in the NSC Residence Hall. For the discounted rate of \$38 USD per night, you will receive bed/one set of linens and three meals per day in the NSC dining room. The residence hall also offers air conditioning and coin operated laundry. Lodging in the NSC Residence Hall is available from July 10–July 21, 2024. Referees interested in staying in a hotel can book through the USA CUP website. Due to the large number of referees that have shown interest in previous years, there may be an option to house offsite (about 15 minutes from campus). These individuals will be contacted directly by the referee coordinator.

TRANSPORTATION

ARRIVAL AND DEPARTURE: USA CUP provides transportation shuttles from the airport to the National Sports Center. Arrival transportation will be provided on July 10-11. Departure transportation will only be provided on July 21.

DURING USA CUP

Transportation is provided to and from the NSC to all official USA CUP activities/destinations only. USA CUP also provides roaming on-site referee shuttles between playing fields.

GAME ASSIGNMENTS

Daily schedules will be available in Referee Headquarters. Referees must check-in to Referee Headquarters and pick up their schedule each day. Referees staying in the NSC Residence Hall are required to have at least three assignments per day.
